Email: info@safelifeproject.org

**VISION**

To empower individuals with disabilities, including autism, with skills and knowledge that will stop abuse and develop safe, healthy and happy daily life relationships – achieving positive and productive lifestyle outcomes in the basic quality of life domains – including physical, social, emotional, mental, and civic well-being.

**MISSION**

To establish Safe Life Project programs that offer individualized skill development classes, real opportunities to apply learned skills, and resources to individuals with disabilities, including autism, their families, support persons, and educators throughout the state of California, throughout the USA, and ultimately across the globe.

**2017-2018 Work to Grow and Serve:**

- **Safe Life held a planning meeting to get input from various constituents wanting to support Safe Life. The meeting/workshop was called “Safe Life Project Strategic Analysis Effort: Ready-Aim-Fire”. At this planning meeting/workshop, participants met to define and prioritize goals and plans for Safe Life. Participants included clients, teachers, family members, administrators, board members, community members.**

**PROGRAM REPORT**

**2017-2018 Highlights**

- 23 students developed and practiced new skills for abuse prevention, overall safety, and healthy relationships. Clients and families received information to help improve client safety and overall well-being.
- Families are thanking us for providing such a valuable service and for helping to teach their kids to stay safe.
- Referrals coming in now that people are hearing about Safe Life. More classes being developed for 2018-2019.
