VISION

To empower individuals with disabilities, including autism, with skills and knowledge that will stop abuse and develop safe, healthy and happy daily life relationships – achieving positive and productive lifestyle outcomes in the basic quality of life domains – including physical, social, emotional, mental, and civic well-being.

MISSION

To establish Safe Life Project programs that offer individualized skill development classes, real opportunities to apply learned skills, and resources to individuals with disabilities, including autism, their families, support persons, and educators throughout the state of California, throughout the USA, and ultimately across the globe.

2019-2020 Accomplishments

- 116 individuals were referred to Safe Life.
- 90 individuals with disabilities received class services for information and skill development to increase personal safety and address abuse prevention.
- We survived the impact of COVID-19!
- 5 class sessions were completed with a successful transition from in-person class services to online class services.
- 5 new classes will run Aug – Nov 2020.
